

Healthcare Education and Mission to China

27 November – 1 December 2017, Beijing and Guangzhou

Be introduced to influential Chinese buyers of education and training programmes

A unique opportunity for experienced China exporters in the healthcare education & training to visit Beijing and Guangzhou. Selected UK organisations will be able to present their offer to representatives from Chinese public and private hospitals, clinics, universities and government officials.

Applicants from across the UK's healthcare education and training sector, including universities and colleges, NHS Trusts, Royal Colleges, regulatory bodies and private providers are welcome.

Delegates should have China experience, a defined offer and ability to deliver a taster session of their education and training programmes to Chinese representatives. Please note that applications will be vetted for suitability.

APPLICATION PROCESS

Our application process is designed to maximise the likelihood of successful partnerships. Recruitment will be arranged by Healthcare UK, which is part of the Department for International Trade (DIT), and DIT representatives based in China.

- Once you have registered for the event, you will be sent a form which must be completed for your application to be considered
- Registrations will only be considered once the application form has been submitted
- Please apply by 14th September for consideration
